

# *Shake it up!*

## ***School fundraiser presented by Bop's Frozen Custard***

*A simple and fun way to help  
your school make money!*

Students pre-order their milkshakes (small for \$4 or large for \$6), and the school receives HALF of the money collected! All the work is done at the store, not at the school!

This is a great way for your school to make money, and the students don't have to sell a thing! They get the treat! Most schools that have participated in this fundraiser ordered around 500 shakes (netting \$750 for the school)!
